## Teramoda collection

Rediscovered rich and colorful wall surfaces, with an artisanal feel, where delicate and glossy three-dimensional effects play on monochromatic irregular tiles. Teramoda's colorful and uneven surfaces hold all the charm of handcrafted tile.

### *Key highlights*

This playful, colorful collection of wall tiles features two versatile shapes with a super glossy, elegant surface finish. Each tile is crafted with an uneven edge, designed to give a unique, handmade look. Walls become colorful, the surfaces lively; the Teramoda collection defines new ways to liven interiors.

## Colors, formats and finishes at a glance

The beauty of colors comes alive in the Teramoda collection. Made of ceramic, they have an almost handmade feel thanks to their textured bodies and a high-shine finish. The ultimate balance and unexpected twist between a glossy look blended with the handcrafted charm of artisanal tiles. Available in three different formats, all with artistically uneven surfaces and irregular edges.

*The Anatolia difference*  
Unmatched elegance and unparalleled perfection.

Anatolia reinvents shapes and design compositions through refined color palettes, innovative graphical refinements and creative reinterpretations of traditional, cultural and trend led inspirations. Meticulous care is taken to enhance a product's formation through graphical and technical improvements at every step of the development and execution process. This leads to the most exquisite and discerning tile collections.

*Technical Performance*  
Avant-garde design and attention to detail.

The goal of Anatolia's design department was to create the utmost elegant and sophisticated product, a perfect blend of functionality and style. New technical aspects, innovative shapes, and a new color palette were designed to represent the vibrant and lively nature of metropolitan city life, inspired by its culture and history.
